Debra Paches

Debra Paches has been a nurse for over 40 years and is presently a caregiver at home. She joined Caregivers Alberta 5 years ago as the Navigator coordinator, charged with educating health professionals about caregiver issues, and how to support them in the healthcare setting. In addition, she is the Caregiver Advisor, dealing with caregiver calls from across the province. Debra is thrilled to be given this opportunity to address students and professional members at the AHEA Conference.
